

COMPOSTING

Compost Resources

There are a number of books and websites that provide more information on composting. [Click here to link to School Garden Reference for books specific to composting.](#)

[Click here to link to School Garden References for information on compost programs and earthworm sources in the San Diego area.](#)

[Click here to go to <http://ucanr.org/pubs.shtml>](http://ucanr.org/pubs.shtml) the website for the University of California, Division of Agriculture and Natural Resources to purchase *Compost Production and Utilization: A Growers' Guide*, Publication 21514. From this website you may also download at no charge, *Compost in a Hurry*, Publication 8037.
